Att'y Docket No. 2106-00101

Date: July 17, 2003

Sir:

This Information Disclosure Statement, including completed Form PTO-1449, comprises a list of pertinent art of which Applicant is aware. A copy of each publication listed on Form PTO-1449 is enclosed herewith. The patents cited were originally cited by the Examiner in Office Action dated December 17, 2002 in the parent case.

The subject matter of the above-noted application is, generally speaking and without limitation, a mobile cattle hospital possibly for use in feedlot operations. The inventor of the above-noted application witnessed a trailer used for treating cattle in a feedlot operation at Adam's Land & Cattle Company in Brokenbow, Nebraska. Declaration of Warren R. White, ¶ 4. However, Applicant respectfully submits that the systems and methods disclosed in the above-noted application are non-obvious improvements of the trailer used at Adam's Land & Cattle Company in Brokenbow, Nebraska. Because Applicant is not aware of any brochure or publication that describes construction or use of the trailer witnessed at Adam's Land & Cattle Company, he has endeavored to provide this information for the Examiner's consideration in the form of the attached Declaration. It is submitted that the art cited does not constitute a bar to the patentability of Applicant's invention under 35 U.S.C. § 102 or § 103.

Applicant believes no fee is due for the filing of these papers. If, however, the Commissioner deems that a fee is due, please charge the fee to Deposit Account 03-2769 of Conley, Rose & Tayon, P.C.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Mark E. Scott', is written over a horizontal line.
